

Monday 22 June 2026

Dear Parents and Carers,

With the forecast showing particularly high temperatures and strong sun this week, we are taking steps to ensure all children remain safe and comfortable during the school day.

To help with this, please ensure that your child:

- Brings a full water bottle to school each day
- Applies sun cream before arriving at school
- Wears a sun hat and bring sunglasses if they wish

In school, we will be making the following adjustments:

- Fans will be in use in many rooms to help keep classrooms cool
- Children will have regular and easy access to drinking water throughout the day
- Children may come to school in their PE kit if they feel more comfortable in this, or they may remain in their usual uniform if they prefer. Staff will be doing the same.
- Outdoor time will be reduced, with lunch play limited to 20 minutes to avoid being in the sun too long. Lunch break will remain the same length but the rest will be spent inside.

We appreciate your support in helping us keep everyone safe during this period of hot weather.

Kind regards,

**Mr T Redman**  
**Headteacher**
